HELICOPTERS _____ GLIDERS _____

FLOAT AIRCRAFT _____ OTHER _____

WHAT FREQUENCY CHANNELS DO YOU OPERATE ON (i.e. 16, 42, etc.)? _____

Your current AMA insurance card must be displayed on the frequency board in order to fly a radio controlled model at the North County Cloud Clippers flying site located on the Paso Robles City Airport property. Pilots joining the club must be certified as being proficient by a club official.

Any person breaking club or city rules which either endanger person or property, or jeopardize the clubs use of the current flying site shall be warned in writing. After one written warning the second infraction will be cause to have membership in the Cloud Clippers revoked, lose the use of the flying site even as a guest and forfeit dues paid.

I have read, understand and will comply with all the Cloud Clippers and City of Paso Robles rules for use of the flying site.
